

Serial No. 10/050,384

**REMARKS**

This amendment is responsive to the final office action dated September 24, 2004. Claims 1-3 were pending in the application. Claim 1 was objected to. Claims 1-3 were held as allowable by the Examiner.

By way of this amendment the Applicant has amended Claim 1. Claims 2 and 3 remain unchanged.

Accordingly, Claims 1-3 are currently pending.

**I. OBJECTION TO CLAIMS**

The Examiner objected to Claim 1 due to grammatical informalities. The Applicant has amended Claim 1 to add the term "conductive" before the term "filler" in line 5 and to add the term "heat" after the term "conducted" in line 19. Applicant believes that this amendment complies with all of the requirements set forth by the Examiner. Withdrawal of this objection is respectfully requested.

**II. CONCLUSION**

Accordingly, the Applicant asserts that all of the pending requirements regarding the claims of the present Application have been traversed and that the present amendment by complying with the requirements set forth by the Examiner has placed the application in condition for allowance. Therefore, the Applicant asserts that Claims 1-3 are in condition for allowance and the application ready for issue.

Corresponding action is respectfully solicited.

PTO is authorized to charge any additional fees incurred as a result of the filing hereof or credit any overpayment to our account #02-0900.
